## More Exciting News!!!!!!!!!!!!

Cameron and Company has partnered with ACN to create an additional stream of revenue to fund special projects and initiatives. Through this partnership we will:

- empower small business owners to take action to create operational revenue to grow their business;
- provide grants to individuals to assist them in starting their new business;
- expose individuals to true residual income and what it can mean for them and their family. "If you don't find a way to earn money while you sleep, you'll work until you die..." Warren Buffet. The Cameron and Company /ACN partnership also allows us to work together to end childhood hunger in the US.

Through ACN's Project Feeding Kids program, our partners and customers can help end childhood hunger right here at home by simply purchasing and paying for services they are already using and paying for anyway.
